1921 S Peoria St.
Unit #1
Chicago IL, 6060

Experience

2017–Present
Design Researcher
Caterpillar, UIC Innovation Center, Chicago, IL
Worked on an interdisciplinary research team conducting observation and ideation around industrial internet of things to develop connected workplace products and services.

2015–2017
Graphic Design Print Lab Fellow
School of Design, University of Illinois at Chicago
Assisted students with printing, bookbinding, and print production. Produced official school materials, and helped maintain facilities.

2016
Exhibit Design Internship
John G. Shedd Aquarium, Chicago, IL
Designed an exhibit to improve the experience of visually impaired visitors. Collaborated with zoologists and researchers to develop a multi-sensory exhibit.

2018
Orbit Bag Crowdfunding
Chicago, IL
Successfully designed, developed, and ultimately funded a product on Kickstarter. The Orbit Bag, a quick-attachent pouch that orbits your bags to organize everyday essentials.

2016–2017
Bioengineering Graphic Design
Department of Bioengineering, UIC
Designed documentation booklets, presentations, and student templates for the 2016 & 2017 summer Bioengineering Clinical Immersion Programs.

2016
Bicycle Mechanic Apprenticeship
West Town Bikes, Chicago, IL
Refurbished donated used bikes for resale. Assisted with maintaining facilities and volunteered at cycling related events working with local youth groups.

Education

2018
Bachelor of Design in Industrial Design & Graphic Design
School of Design
College of Architecture, Design, and the Arts
University of Illinois at Chicago
3.89 GPA

2013
Academic Diploma
School Without Walls Senior High School
Washington, D.C.

Honors

2015–2016
Secretary to the Student Board
*Industrial Design Society of America (IDSA)
University of Illinois at Chicago Chapter*
Worked to increase involvement through lectures, workshops, and design competitions. Duties included creating posters and student communication.

2006–2013
Eagle Scout
Troop 100
Achieved the highest rank in the Boy Scouts of America. This involved holding a variety of leadership positions and completing a 100 hour service project benefiting the Washington Humane Society.
